MEMORANDUM FOR: Assistant Chief of Staff, Intelligence
Department of the Air Force

SUBJECT: Appreciation for Services Rendered

1. At this time the personnel of your organization, both military and civilian, who performed photographic interpretation duties at the National Photographic Interpretation Center are being reassigned to DIA. It is only fitting that acknowledgement be made of their and your significant contribution to the activities of this Center.

2. The program has developed from a modest beginning to its current status with rapidity, and both the normal requirements and extraordinary situations have always found you and your personnel prepared and eager to contribute effectively.

3. The award of the Presidential Unit Citation to the Center gave formal recognition to the contributions made by all individuals assigned and attached to this activity and is a matter of great satisfaction to all of us.

4. Our past association has provided a basis for mutual achievement. I am pleased that your personnel, now transferred to DIA, will continue their affiliation with us, and I wish to extend my personal appreciation for the contributions and cooperation of your personnel and your staff.
